Please note that DRAMATIC DJ's strives to carry all the musical selections that you require for your reception. Sometimes we do not or can not get certain recordings that you would like to have played. We ask that if you have these recordings on CD or TAPE (not as good quality sounding as CD) that you bring them with you on the day of your reception or give it to the entertainer prior to the day to ensure that the song(s) will be on hand and will be played. One further suggestion is to request a maximum of 8-10 songs that your guests will be able to request during the event as well.
